

The 2017 Oxford Halloween Parade is scheduled for Thursday, October 26th, with a Rain Date of Friday the 27th. Due to the overwhelming success of the recent parade route, the Oxford Area Chamber of Commerce will use the same route as in the past few years which is described below.

Business commercial vehicles not carrying or towing a float or not included in a group theme, will be limited to one vehicle per business.

Due to the increasing length of the parade and the delays and back-ups caused by groups performing, entrants performing for the judges must limit their performances to 1 1/2 minutes or their performance will not be considered for prizes.

Due to some dangerous situations that have occurred in the past, absolutely no candy will be allowed to be thrown from floats or handed out by people walking in the parade. It has just become too dangerous!!

●Groups interested in vending at the event should apply for a vendor's permit through the Oxford Police Department. The Police Chief has agreed to waive the Oxford Borough permit fees for local non-profit groups operating within the Oxford Area School District. Call the police department at 610-998-0032 for permit details. Permit must be obtained at least 24 hours in advance of the parade date. After you obtain your permit, contact the Chamber for locations along the parade route available to vendors. Space for vendors will be limited. First come, first served!!
