

APROach Golf

Thank you for your participation in our upcoming APROach Golf Event. Tanglewood Golf is starting these events because it is our desire to grow the game of golf. We want to attract newcomers to **approach** the game of golf and we want to help golfers sharpen their short game, **approach** shots.

APROach Golf: What is it?

A game where the 1<sup>st</sup> shot on each hole “should” come to rest on the green.  
 And that 1<sup>st</sup> shot can be in a greenside bunker,  
 40 yards away in the rough,  
 Or even 125 yards away in the fairway.

APROach Golf: Rules of the Game

1. Players hit from within the AG (APROach Golf) tee markers on every hole.
2. Players may use tees for their initial tee shot except in bunkers.
3. A maximum of six shots is permitted per hole. If the ball is not in the cup after the sixth stroke, the player picks up their ball.
4. There are no penalty strokes for lost balls, unplayable lies, out of bounds, or in the water. Players hit their next shot within two club lengths of where the ball left the fairway. On holes with water in play, if the tee ball goes into the water, the player takes their next (second) shot from the designated AG drop area.
5. As AG is designed to improve shot game skills, there are no gimmies.
6. A putt is counted only if the ball is putted from somewhere on the green. If the player uses a putter from the fringe or off the green, that is counted as a stroke but not a putt. The use of any club to advance a ball on the green is considered a putt.

APROach Golf: Scoring

Points are awarded and accumulated for the following

Hole-in-One on AG tee ball/hole (player get the ball in the hole with one shot)	7 Points
Greenie: Any part of the AG tee ball must stop on green	3 Points
One putt into the cup	2 Points
Chip into the cup	2 Points
Two putts into the cup	1 Point
Maximum allowable strokes per hole	6
Maximum points per hole	7 (hole in one)
