

## Canine Partners *for* Life

Maintenance Technician – Canine Partners for Life

Cochranville, PA      [www.k94life.org](http://www.k94life.org)

Part-Time

Canine Partners for Life, a nationally recognized non-profit service dog organization, is seeking an individual to assist with a wide range of responsibilities associated with the overall care of our facilities. Duties include preventative maintenance tasks, ensuring and supporting safety protocols, and performing general repairs. Mowing and some snow removal may also be included with this position. An ideal candidate is a self-starter who has excellent problem-solving skills, can handle multiple tasks and priorities and has effective written and verbal communication. Experience in carpentry, electrical work, and/or plumbing would be an added benefit. This is a part-time position although the ability to work a flexible schedule is essential.

Please email cover letter, resume and salary requirements to [sguy@k94life.org](mailto:sguy@k94life.org).
